Joint Extraterritorial Zoning Committee Meeting

Village of Pepin Municipal Building
Thursday, May 20, 2021 at 5:00pm

The Village of Pepin and the Township of Pepin are holding a Public Meeting to discuss the implementation of the Extraterritorial Zoning Resolution of the Village of Pepin published September 26, 2019.

RESOLUTION

Whereas it is the responsibility of the Pepin Village Board of Trustees to protect the Village's taxpayer investment in its drinking water infrastructure;

Whereas it is also the responsibility of the Village Board to insure municipal drinking water is safe for its citizenry and Village visitors;

Whereas future development and use practices outside of the Village limits could negatively impact said infrastructure and safety of the drinking water;

now therefore, be it resolved the Village Board of Trustees intend to pursue the establishment of an Extra Territorial Zone beyond the Village limits, as indicated on the accompanying aerial photo, and as prescribed by statutes of the State of Wisconsin, to protect its drinking water infrastructure and the safety of the water and to monitor all future practices and development within the Zone.

The Extra Territorial Zone is designated to be in groundwater Protection Zone B. Permitted uses are defined in Village of Pepin Wellhead protection Ordinance 11.04, with the following exception. Single family private residences are permitted and may include a private well and septic system if the Village of Pepin Water and Sewer service is inaccessible.

The Village Wellhead Protection Plan Ordinance, revised 2019--Chapter 11.04, is available from the Village Clerk upon request. A copy of the Ordinance may be picked up at the Village Clerk's office at 508 2nd Street, Pepin, WI.
