Boat Landing Committee Meeting Minutes

Wednesday, June 24th, 2026 at 10:00 am

Meeting Conducted at the Boat Landing.

1. Call to Order – The meeting was called to order by Chairman John Hurtley at 10:00 am.
2. Document Member attendance – In attendance were members John Hurtley, Vicki Kosok, Kevin Sandwick, and David Brandt.
3. Document water depth conditions at the new and old landings and perform other maintenance tasks -
 - a. Met with Jim Sterry of JK Sterry Service LLC and had an initial discussion on how to counter the erosion taking place on the east side of the landing parking lot. Jim indicated he would prepare a proposal. Permitting with the DNR would be left to the Village to pursue.
 - b. Solar dock lights were installed on the decking of the dock and the pay station.
 - c. Reflective adhesive backed tape was installed on the end poles and on the dock ramp.
 - d. Bolts were tightened on the green bench adjacent to the landing to eliminate the movement that had developed between the seat and base.
 - e. Water depth readings were taken and documented at the new and old landing ramps. John will create a document indicating the slope based on the measurements taken and have it available for review at the next committee meeting.
 - f. The tree on the downriver side on the new ramp was trimmed to allow better visibility for the security camera.
4. Motion to Adjourn – A motion to adjourn was made by David and seconded by Kevin. The motion carried with all ayes. The meeting was adjourned at 11:30 am.
